## Fort Smith

Peterbilt of Fort Smith has just delivered the first new Peterbilt to USA Truck. USA Truck, a Van Buren Arkansas based company, has one of the nation's largest over-the-road full truckload fleets, providing dry van service throughout North America, Canada and Mexico. They currently have over 2,000 pieces of power equipment and have been in the trucking business for over 25 years. Peterbilt of Fort Smith is currently delivering 25 model 386 tractors and 25 model 387 tractors, with an additional order of 50-386's and 10-387's for August delivery. The Larson Group is proud to call USA Truck a valued customer and look forward to a long and prosperous relationship with them.
